To increase efficiency and better engage the membership, the NIA Board of Directors will be asking members to vote on matters of interest using a combination of email and online tools. If you would like to participate, but would rather a paper ballot mailed to your home, please indicate that in the comment section below.

In 2018, the NIA Board of Directors solicited input from the membership concerning smoking on NIA properties. We received many comments and suggestions and thank those who took the time to respond. Please indicate your preference by checking the line corresponding to the option you support.

_____ Prohibit smoking on all NIA properties.

_____ Allow smoking on NIA properties in designated areas only.
